### **Organization Overview**

At Camp Fire Wilani, we believe that every child should have the opportunity to find and pursue their spark: a passion that inspires and drives them to set and achieve goals for their future. Founded in 1910, our comprehensive program starts with early intervention at the elementary level, bridges the learning gap for middle school, and helps students thrive and plan for bright futures during high school. During the school year, Camp Fire works in partnership with dozens of schools in Western Oregon for Outdoor School. During the summer months, we offer summer camps at the beautiful, historical 219-acre camp, Camp Wilani in Veneta, Oregon. We believe in meaningful work. We believe that every individual brings their own talent, experience, creativity, and values. We support staff by providing paid opportunities for professional development, personal growth, and creativity. Camp Fire Wilani is in a period of profound program growth, with the hiring of several new year-round positions and the implementation of several new programs.

### **Position Overview**

Further, this position works in concert with the Director of Programs to develop camp curriculum and staff training. Further this position participates in hiring, accreditation, risk management, and all other aspects of assigned programs. ### **Work/Life Balance**

Camp Fire Wilani believes in work-life balance. This standard work period for this position is 32 per week. Heavier work periods are balanced by flex time and generous paid-time-off including vacation, sick, and paid holidays. When work is required on school holidays (often), the incumbent may take a different paid day off to compensate. This position allows up 30% (9 hours) of remote work per regular work week: more when the tasks are better suited to remote work or the incumbent has medical or personal needs that required them to be remote yet still working full time, less when work demands the incumbent be in person at a program site. Presence in the Camp Fire Wilani Office (Springfield, Oregon) is required at least 23 hours per week during normal business hours, Monday-Friday. These days/hours should be coordinated with the Executive Director, Director of Programs, Office Manager, Marketing Coordinator and Development Coordinator so office time is spent in the physical presence of our Camp Fire Wilani Team for team building, communication, and to build an atmosphere of fun, collaboration, and creativity.
